

## **Gaylord Golf Mecca**

Post-Fam Golf Trip

September 14-16

### **The Gaylord Golf Mecca – America’s Premier Summer Golf Destination**

A visit to the Gaylord Golf Mecca should be on every golf lover’s bucket list! This golf trip consists of rounds on three of the Mecca’s most stunning courses at Treetops Resort and Otsego Resort, two nights of resort lodging and meals at some of our most popular après golf restaurants. Driving tours of our charming Swiss-inspired downtown and several area attractions, including our City Elk Park, would be available as time permits before and/or after rounds of golf.

Please note, this is strictly a golf FAM tour. All attendees, including guests, must be able to play golf (clubs can be provided upon request); carts will be provided but you must be able to walk up hills, stairs and on uneven surfaces. Attendees should be ready to actively play three rounds in two days. The golf FAM will take place if there is rain, as long as courses are still open and there is not severe weather (thunderstorms). In the case of severe weather cancellations, alternative activities will be shopping, dining and elk viewing.

There is very limited free time with the proposed agenda. Attendees would need to provide their own transportation during free time via local taxi services.

Under the leadership of the Gaylord Area Convention & Tourism Bureau, the Gaylord Golf Mecca is the second-longest running golf cooperative in the nation. With 38 years of partnership, 17 impressive golf courses and 20 lodging members, the Gaylord Golf Mecca is a dream golf destination. Our Mecca members believe in the philosophy of being stronger when united and are marketed as a destination as a whole instead of one individual course. Courses range from parkland style and walkable to impeccable valley views and drastic elevation changes, but all meet the high standards set by the Mecca.

Activity Level: 4 - attendees must be able to actively play three rounds of golf in two days. This trip will also require being able to walk and stand on uneven surfaces, up and down stairs and be outdoors for the majority of the day.

Accessibility Statement: As this is an active golf fam, accommodations cannot be made for mobility devices. Courses have rolling terrain with elevation changes that will not accommodate mobility devices.

Minimum Participants: 2

Maximum Participants: 8

Length of Tour: 2 nights, 3 days

Gaylord CVB will cover the cost of lodging, tee times, cart rental, all meals, alcohol during group dinners

Attendees will be responsible for any food or beverages purchased during their round, their own snacks and incidentals

### **Tentative Trip Itinerary**

#### **Sunday, September 14**

10:00 a.m. – Gaylord CVB staff will pick attendees up from the Westin Book Cadillac and depart for Gaylord (snacks provided on the drive).
